

JULY 2020

HEROES OF FAITH

MOSES : LEADERSHIP

TODAY'S ACTIVITIES

- Have your children hold up their hands above their head for as long as they can, just like Moses in the story. When they drop their hands, talk to them about how Moses got tired just like they did. Next have them sit down and hold their hands above their head while you help support their arms. Ask them if it is easier and talk to them about how Moses had Aaron and Hur to help him. Talk to them about who they have in their lives to help them (God, their family, etc).
- Have your children make their own banner by printing off the coloring page found on the "printables" section of the website. When they are finished coloring the sheet, cut it out and take a picture of them with their banner or just their banner - post it to our VBS Facebook group so we can all see their creativity!
- Print off a Moses coloring sheet from the "printables" section. Talk about today's story and discussion themes while they color the sheet. When they are finished coloring the sheet, take a picture of them with the sheet or just the sheet - post it to our VBS Facebook group so we can all see their creativity!

Today is the first day of VBS. Our hero of faith today is Moses. We are discussing the ideas of leadership and how God fights our battles. Read through the story of Moses found in **Exodus 17:8-16** with your children and discuss as many of the following questions as your family would like.

Leadership

- How did Moses display leadership in this story?
- Who is a leader in our lives?
- How does that person show leadership?
- What qualities make a good leader?
- What qualities make a bad leader?
- How can we show leadership in our lives?

God fights our battles

- What was unique about the way the Israelites won the battle?
- What does it mean by "The Lord is my banner"? How does God fight our battles today?

Don't forget to check in our VBS Facebook group at 2:00pm for a zoom link to discuss today's lesson with our preachers and at 7:00pm for a zoom link to interact with Moses!
